Historia de servicio

historia de servicio

En el campo del transitario, lo más terrible es que ocurre una emergencia, porque perderás mucho dinero en cada minuto, en SHENZHEN hay más de 20 mil empresas transitarias pero casi nadie puede **darte una emergencia y plan factible en 30 minutos**, pero **Sunny Worldwide** puede lograrlo. Un envío marítimo a principios de marzo de 2019, nuestro cliente es un fabricante de vidrio, Debido a un embalaje inadecuado del primer envío, el destinatario recibió casi la mitad del frágil Gafas, desafortunadamente, el cliente de EE. UU. ha firmado el contrato de la fecha de entrega. el 16/04 con su destinatario final, o tendrán que pagar una indemnización por daños y perjuicios elevada.

En ese momento, el transportista tiene que buscar nuestra ayuda para enviar otro envío aéreo al cliente, pero también saben que el tiempo es muy limitado para nosotros y desde que procedemos a realizar un nuevo envío hasta la mano del destinatario solo tenemos 4 días. Inmediatamente llamamos a nuestro equipo de marketing y operaciones para tener una breve discusión **dentro de 30 minutos** y obtuvimos una solución: reservaremos un vuelo que volará directamente a LAX sin traslado en ningún aeropuerto el 13/04 (sábado), luego acordaremos con nuestro agente de EE. UU. en la sucursal de China que su agente de EE. UU. ayudará a pasar la aduana en 14/04 que es el domingo, y además reservarán el camión con anticipación para entregar la carga el lunes.

Finalmente, entregamos el segundo envío a tiempo y **al menor costo** El cliente está

muy satisfecho con nuestro servicio y también reconoce que nos entregará todo su envío en el futuro.
