INTO THE COMPANY

We are a professional A-class freight forwarder in the air cargo market, air transport at the global airport.

Why consolidation?

By means of consolidation, we can save shipping cost, local charges in China and local charges in destination.

1

Consolidation make the quantity of goods per shipment more, so, you can get more discount in shipping cost.

2

Consolidation make the number of shipment smaller, so, the destination local charge will decrease some local charges in China, such as, DOC, Clearance, handling, export license.
