Sea shipping freight from Shenzhen China to Nassau ...

This was my first time ordering supplies for my home from China and I was very s keptical about it. When I got into contact with Hank who was my shipping agent, h e assured me that he'll help me every step of the way and would make the ease of shipping very good for me. And he did that and more!! He walked me through ever y step and advised me of all the different options I could use. Whenever I had que stions, he was there to answer. He arranged all of the logistics from my suppliers. He collected each supply from my merchants and loaded it to my 20ft shipping co ntainer. Once everything was loaded and shipped out, Hank ensured I had the trac king number for shipping as well as for DHL for when my documents came. Hank was always super professional and always gave me accurate information. It was a pleasure to have Hank as my agent. I would definitely use him and his company again an recommend others. The next exciting part was when my items arrived wi thno damages as well packaged.Greatjob!
