Sea shipping freight from Shenzhen China to Nassau ...

This was my first time ordering supplies for my home from China and I was very skeptical about it. When I got into contact with Hank who was my shipping agent, he assured me that he'll help me every step of the way and would make the ease of shipping very good for me. And he did that and more!! He walked me through every step and advised me of all the different options I could use. Whenever I had questions, he was there to answer. He arranged all of the logistics from my suppliers. He collected each supply from my merchants and loaded it to my 20ft shipping container. Once everything was loaded and shipped out, Hank ensured I had the tracking number for shipping as well as for DHL for when my documents came. Hank was always super professional and always gave me accurate information. It was a pleasure to have Hank as my agent. I would definitely use him and his company again and recommend others. The next exciting part was when my items arrived with no damages as well packaged. Great job!
